

CLAIM LIST

1. (previously presented) A combination playhouse and doll carrying case comprising:

a base housing defining a at least one interior partition to divide said base housing into a plurality of open-sided rooms each of said open-sided rooms defining a space for receiving one or more toy items;

a front panel having a sealed pouch formed by a pair of flexible material sheets and a quantity of captive liquid therebetween; and

a hinge securing said front panel to said base housing allowing said front panel to be moved to a closed position providing closure of said open-sided rooms and an open position,

said liquid and said sealed pouch simulating a waterfront in said open position.

2. (original) The combination playhouse and carrying case set forth in claim 1 wherein said flexible material sheets are formed of transparent plastic.

3. (original) The combination playhouse and carrying case set forth in claim 2 wherein said liquid is tinted in color.

4. (original) The combination playhouse and carrying case set forth in claim 3 wherein said open-sided rooms include movable balcony rails.

5. (original) The combination playhouse and carrying case set forth in claim 4 further including a handle secured to said base housing.

6. (canceled)

7. (canceled)

8. (canceled)

9. (new) A playhouse comprising:

a housing defining one or more open-sided rooms, each defining closed, rear, top, bottom, right and left side surfaces and an open front and each of said one or more rooms defining a space for receiving one or more toy items; and

a simulated waterfront panel secured to said housing and having a pair of flexible sheets forming a sealed pouch and a quantity of liquid tinted to resemble a portion of a body of water therein.
